

Are Banks Still Lending Money?

The media is full of news about shifts in the banking system. What are the changes in underwriting standards that affect business and individuals?

Join Us

for breakfast and a discussion with two respected experts in the fields of accounting and banking.

Learn how improving your company's funding opportunities can improve your business over all!

Ted Rose, MBA, CPA, President of Rose Financial Services, LLC has been helping companies succeed since 1994. Ted will talk about the importance of having good financial systems in place in order to improve a company's ability to obtain funding or increase funding when they need it.

Jade Kirkley, Business Services Officer for BB&T has been assisting business with their banking needs since 2005. This includes loans, lines of credit, commercial mortgages, credit cards, etc. Jade will be speaking on underwriting changes and the availability of funding.

DATE: Wednesday, July 29th
8:00 a.m. to 9:30 a.m.

LOCATION: Rose Financial Services
2 Research Place, Suite 300
Rockville, MD 20850
